Will it Fit in The Elevator?

Before ordering large items, print-out and use this handy 1" grid to draw-out your item (length and width or thickness) to verify it can be rotated to fit and be carried up by the elevator. **ALLOW 1/2" EXTRA ON ALL SIDES FOR THE ELEVATOR PADS.**

This worksheet is provided as a convenience and information is not warranted or guaranteed. It is the resident's responsibility to verify all measurements, and to notify the Property Manager at least 24 hrs. in advance of delivery to arrange installation and removal of elevator pads at the resident's expense. The resident shall be liable for any elevator or common area damage.
